

Parrot:

Sam and Pippa had lots of pets, but no parrot.

Sam:

Mum, can we get a parrot?

Granny:

Get a parrot!

Mum:

No, you have lots of pets!

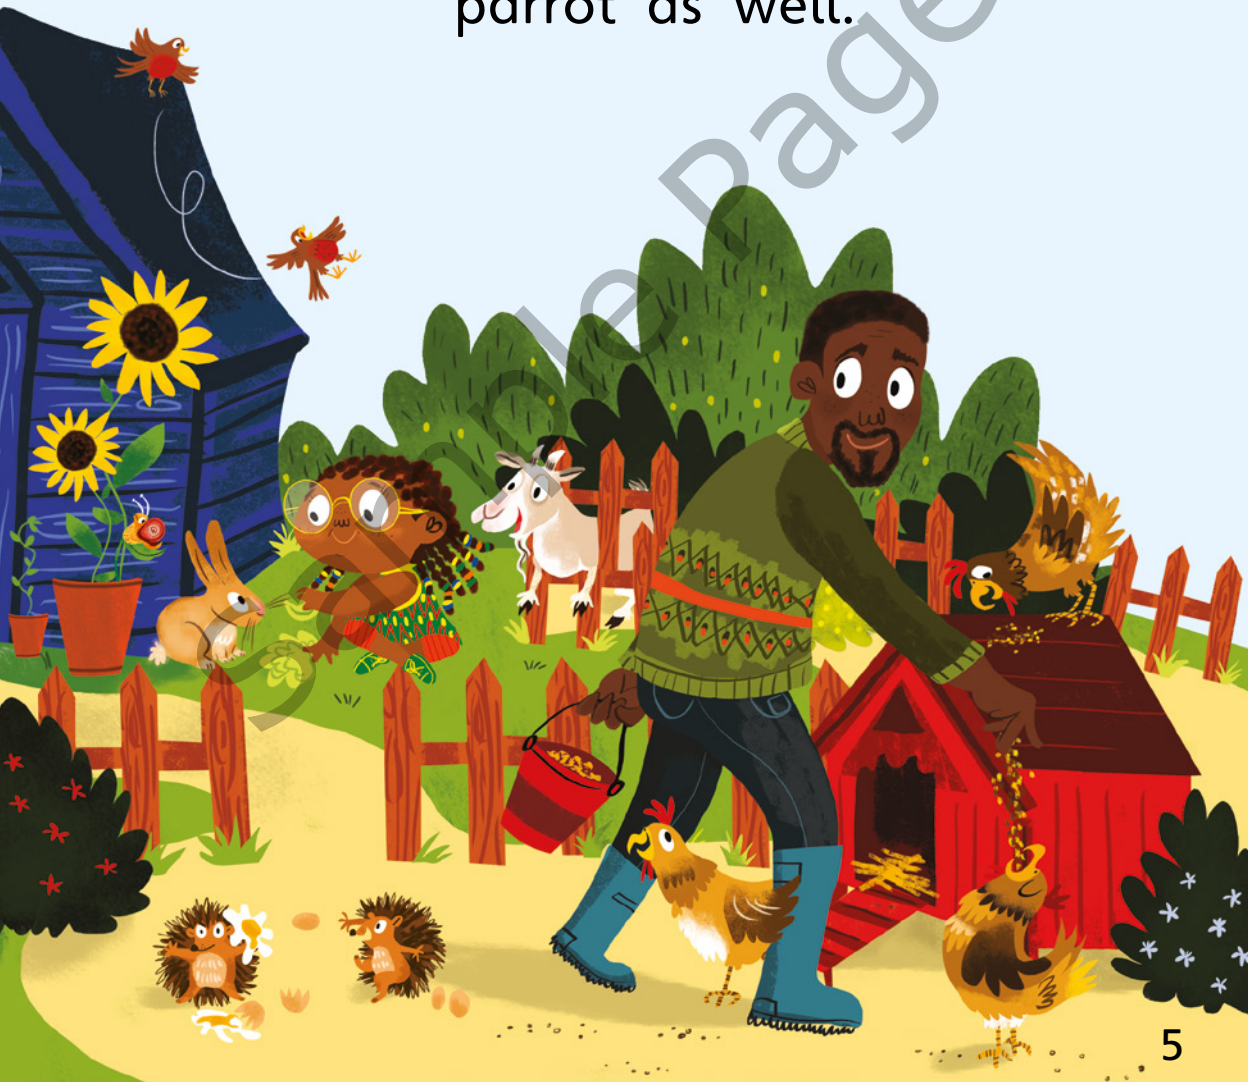

Dad:

Yes, you have a cat, a rabbit, three hens and a goat.

Mum:

You do not need a parrot as well.

Dad:

Gosh! What a clever parrot!

Parrot:

Mum and Dad had a think.

Mum:

The kids will go on and on until we get that parrot.

Dad:

So will Granny.

Mum:

And now the parrot is nagging us too!

Dad:

It is a very clever parrot! Okay – let's get it.
