

**Brim:** Are we there yet?

**Tomo:** It's in here, I think. I was only about eight when I found it.

**Brim:** And you think it goes to the Outside?

**Kedd:** There is no Outside. That's a fairytale, told to children. This is stupid, Brim. We should go back.

**Brim:** And have my memory erased? I won't be me anymore, Kedd. I won't remember anything. I won't know you.

**Tomo:**

We're nearly there. It's just down this corridor. Look, that's it. We've got to get that metal door open. There's a staircase behind it, going down.

**Kedd:**

Down to what?

**Tomo:**

I don't know exactly.

**Brim:**

You didn't find out where it went?

**Tomo:**

I was eight years old, okay? I was scared.

**Kedd:**

So what did you see?

**Tomo:**

A big tunnel with parallel metal tracks in the ground.

*Alice and Rocky get to their feet. Rocky tries the door, and finds it's not locked. He seems surprised.*

**Alice:** So, are you coming?

**Brim:** What? Coming where?

**Rocky:** To the Outside. You don't think we're just going to sit here and wait for them to wipe our memories, do you?

**Kedd:** But we've been charged. We're not allowed to leave the apartment!

**Rocky:** Do you always do what you're told?

**Kedd:** Of course I do.

**Alice:** What about you, Brim?

*Brim rubs her hair and stands up.*

**Brim:** I'm coming.

**Kedd:** Brim!

**Tomo:**

**Brim:** We were going to leave before. Let's do it for real this time.

*The group goes back along the tunnels and this time through the metal door. Guards are chasing them.*
