Teacher Support

Each 'Pacing Text' and the 'Going Beyond Text' from the Big Ideas Book links to a fiction or non-fiction topic book. There are 5 topic books per unit.

Pacing Text 1

The unit progresses across 4 'Pacing Texts' covering different text types, and concludes with the 'Going Beyond Text' to provide opportunities for further learning.

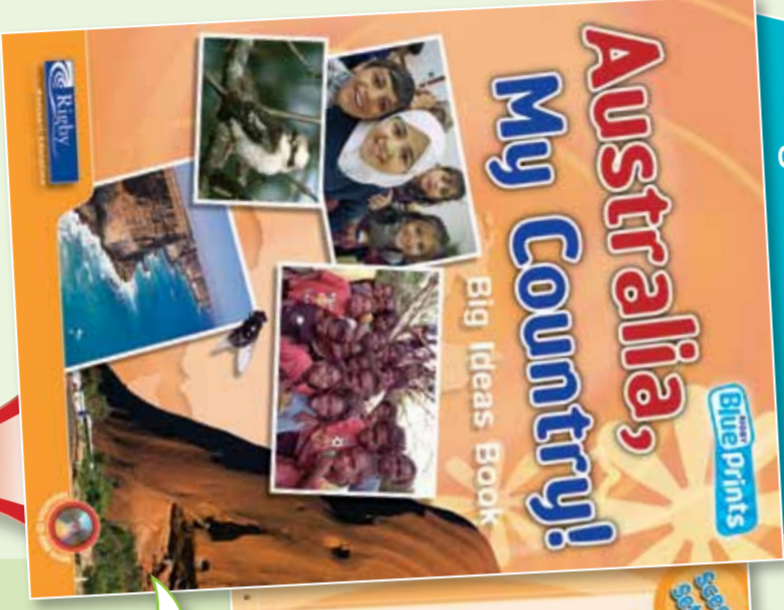

Text C - Advanced

Each 'Pacing Text' and the 'Going Beyond Text' from the Big Ideas Book links to 3 texts, or articles, from the Guided Reading Book. Texts are levelled as A, B or C for difficulty to help you cater for mixed abilities in the classroom. A minimum of 3 levelled texts per Big Ideas Book Pacing Text!

Text B - Intermediate

Each book introduces the unit with the 'Scene Setter' and sets 'Your Challenge' for each student to achieve by the end of the unit.

Big Ideas Book

Scene Setter

Guided Reading Book

Text A - Easiest

- Linked to each section within a Phase
- Provides 6 Interactive Information Texts, 6 Interactive Activities, and 3 Assessment Tasks

Applying Phase
Children present their solutions to 'Your Challenge', then reflect on and extend their understandings.

Investigating Phase
The Investigating Phase allows students to explore the key concepts within a unit and to build their knowledge and skills as they work towards the Challenge activity.

The Investigating Phase is divided into four sections. In each section a 'Pacing Text', located in the Big Ideas Book, is used to introduce a key understanding. Related Texts, Guided Reading texts and Topic Books provide additional information to consolidate students' understanding.

Introducing Phase
The Introducing Phase is the foundation stage of a unit. It sets the scene for the unit and it presents students with the 'Your Challenge' activity.

- What does Blueprints offer you?**
- A comprehensive series in which literacy skills are developed sequentially through explicit teaching
 - A streamlined approach – teaching literacy along with other learning areas in one unit per term
 - Variety – A range of graded texts that will meet the different learning levels within your classroom
 - Comprehension – Emphasis on reading for learning and examining issues that affect children today
 - Big Ideas – A platform for developing big ideas and achieving a rich task (the Challenge) in each unit.

- Blueprints encourages explicit teaching**
- Daily literacy sessions over a term build on what is already known
 - guidance win clear purposeful literacy sessions: how to commence, progress and conclude
 - stimulating unit focuses through which aspects of literacy development can be addressed
 - regular modeling of reading and writing by the teacher
 - texts for instructional, guided and independent reading presenting quality literature in many forms
 - ongoing assessment.

Buy a Blueprints Value pack for your year level.
Everything you need to teach a complete unit with Blueprints.
