

# Gallery Tour

Lalie Harcourt  
and Ricki Wortzman  
Illustrated by Rebecca Gibbon

Pearson

Let's start with a visit to the gallery we call **Angle Alert!** What do you expect to see?  
You are correct! Each work of art has lots of angles.  
There were so many works of art I could have chosen for this gallery.

I chose this to be the first painting you see when you walk into the *Angle Alert! Gallery*. I think it is a good place to start. What do you think?
