

At dinner time, Runt sat under the table while the family ate. Peta and Tim dropped pieces of carrot or potato for him to eat.

“Don’t feed Runt under the table,” growled Mrs Denzer. But Peta and Tim saw her dropping some of her own food for Runt to eat.

“That’s a pig, not a person,” growled Mr Denzer. “Pigs eat outside, not at the table.” But later he dropped vegetables and meat down for Runt to eat, too.
