

Australian Signpost Maths NSW

A week-by-week program providing comprehensive coverage of the current K–6 New South Wales Syllabus.

New editions built for explicit teaching

Australian Signpost Maths NSW K–6 Fourth Edition is now fully re-worked for the NSW Syllabus supporting teachers to meet the latest requirements with confidence. The series comprises **Student Books**, **Mentals Books** and **digital Teacher Resources**.

The curriculums have a focus on explicit instruction – a teaching practice that evidence says makes a difference to learning.

Australian Signpost Maths NSW has been built from the ground up using explicit teaching practices at its core. Our spiralled approach facilitates spaced practice with logical progression to allow students to connect Maths concepts and achieve mastery.

But the best thing is, teachers can easily pick up and start using Signpost Maths straight away with the most comprehensive and easy-to-use digital teaching resources.
