

# At Lake Alexandrina

Watch *Thukeri*, a Dreaming story from South Australia. Then watch Veena Gollan's explanation of the Thukeri story.

Veena Gollan describes life during the mission time, as well as aspects of the traditional life of the Ngarrindjeri people of Lake Alexandrina.

Discuss what you learnt from Veena's explanation. Then write three things you learnt about the life of the Ngarrindjeri people during these two historical times.
