

★ SUPER ANIMAL ADVENTURE SQUAD ★

PART ONE
BY JAMES TURNER

One day, in a quiet bakery...

Nearby, a team of secret agents is keeping a close eye on things...

Agent Cat reporting, Sir!
What's happened?

It's terrible!

Cakes and buns have been
escaping from bakeries all over
the country!

We have to find them!

Escaping fairy cakes!
We'll start looking at once.

Good luck, Agent.
Over and out.

It's time for action, Agents! We
have to find the missing cakes!

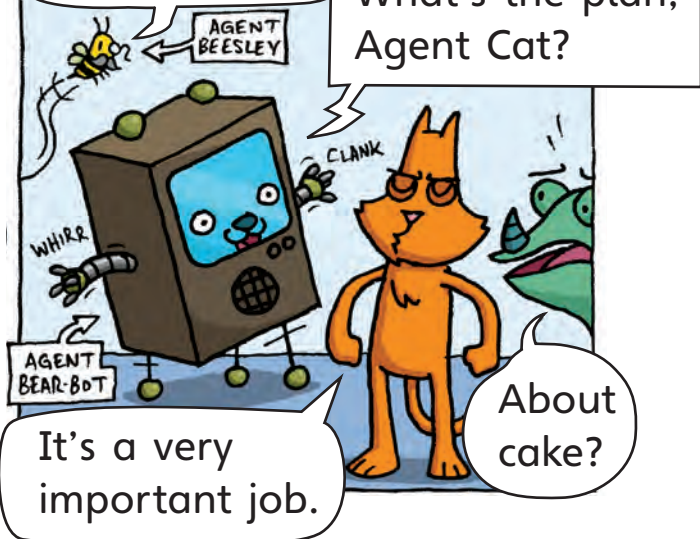

Did someone say
cake? I'd love one!

An adventure!
How exciting.

What's the plan,
Agent Cat?

We have to find every cake in
the country before it's too late!

It's a very
important job.

About
cake?

When do we get
to eat cake?

Gosh!

Will the animals
save the cakes?
Find out on page 10.
