

## Act 2

# An interesting character

### SCENE

*The main street. RED RIDING HOOD is riding her scooter and wearing her backpack, helmet and boots that fit. THYLACINE approaches.*

**NARRATOR** Red Riding Hood sets out on her scooter, along the footpath. She hums her favourite song. On the way to Gran's, she meets a very interesting character.

**THYLACINE** (*craftily*) Why, hello there. It's Red Riding Hood, I believe. Nice to meet you, at last. Do you know who I am?

**RED RIDING HOOD** Yes, of course. I recognise your sandy-coloured coat and your chocolate-brown stripes. And your stiff tail, too. You're a thylacine. That's your proper name.

**THYLACINE** Is that so? You're very clever. Not too many people know a thylacine when they see one.
