

# Disco Fruit

Are you ready to make dried fruit dance?  
Sounds weird doesn't it? But it's really  
easy and a lot of fun!

Here's what you need:

- some dried fruit
- baking soda
- white vinegar
- a glass.

Here's what to do:

- 1 Fill the glass with hot water, until it is  $\frac{3}{4}$  full.
- 2 Stir in 2 big tablespoons of baking soda until it **dissolves**.
